Dear Friends and Family,

2018 went faster than 2017. Seems to happen every year. Our 9th Annual Nelson Grandkids Summer Science Camp was held in Buena Vista, Colorado, in conjunction with Ben and Ashley's marriage. Roice & Sarah, Paul & Kate, Melanie & Jared, Sara & Tim, and Rob were all in Ft. Collins for the marriage. Promotions for Roice, Paul, and Rob. Melanie and Jared started their new Dental Clinic, and Jared is facing a kidney transplant in the next few months. We did not get to see Heather in 2018. She won more professional bike races than any previous year. Audrey and Joshua moved to Virginia Beach with a new job. We miss them and the girls. Rachel and Garret had a 9 pound 6 ounce 22 inch long boy join their family on the 11th of December. We are very excited for them. We enjoyed meeting Matt's girlfriend, Tess, when he brought her to Cedar City. Andrea is very busy as the Hillcrest Ward Relief Society President. Roice keeps busy as a Family History Consultant, with the Southern Utah Rock Club, as President-Elect of the Cedar City Chapter of the Sons of the Utah Pioneers, and with his lightning analysis. The lightning technology gets better, and with oil prices falling and low mineral prices, customers for this new technology have been too few and far between. We have enjoyed being temple ordinance workers this year. We sang the Messiah, and Roice sings with the Master Singers. Another good year. We hope & pray you and yours are happy and full of joy this Christmas Season. Come and visit us in 2019.

With Love,

Roice & Andrea
